It's detailed here. `sudo apt-get install libboost-all-dev libboost-system-dev libboost-filesystem-dev libboost-program-options-dev libboost-thread-dev libboost-chrono-dev libboost-date-time-dev libboost-locale-dev libboost-iostreams-dev libboost-atomic-dev libboost-math-dev libboost-regex-dev libboost-random-dev libboost-system-dev libboost-timer-dev libboost-signals-dev libboost-context-dev libboost-test-dev` `sudo apt-get autoremove --purge libboost1.45-dev` `sudo apt-get clean && sudo apt-get autoclean` `sudo apt-get autoremove` You'll have to explicitly reinstall boost-1.65.0. This solved it, but you should check the version of your boost library to make sure that's not already installed. Evidence for the involvement of subformal organ in the mediation of the renin-aldosterone system in rats. The subformal organ (SFO), a circumventricular organ, and the supraoptic nucleus (SON) of the hypothalamus are known as the site of origin of the neurohormonal system consisting of the release of hormones such as angiotensin II and vasopressin and their target tissue specific sites. However, it is not clear yet whether the SFO and the SON regulate the renin-aldosterone system by a common mechanism. This study is designed to investigate whether administration of SFO extract or SFO immunoneutralization inhibits angiotensin II-stimulated aldosterone secretion. SFO extract (350 micrograms/rat) was intracerebrally administered to anesthetized rats for 10 days. The plasma angiotensin II (Ang II) level was measured by radioimmunoassay.

The screenshot displays a file sharing interface. On the left, there is a blue folder icon containing a cloud, representing a file. Below it, the version number '6.4' is shown next to five stars and the text '2865 VIEWS'. To the right of the folder icon, the text reads 'File was found and ready to download!' followed by 'UPDATED 14 HOURS AGO'. Below this, the 'Fastest Source' is listed as 'usenet.nl' with a checkmark. A note states: 'Click the download button and select one of the found cloud sources.' A prominent blue 'Download' button with a download icon is visible, along with a 'SECURE SCANNED' badge. At the bottom of the interface, there is a message: 'You need to log in before you can post comments.' Below this message are three navigation icons: a list icon labeled 'Navigation', a registration icon labeled 'Registration', and a circular refresh icon labeled 'FAQ'.
