Woww, congratulations! You broke my heart or what? How to get more information about your PS2's BIOS? In fact, you already found the answer. Simple, you have to check the manual of your SCPH-75000 & SCPH-90XX on the box or flyer. Here we go. Enjoy the manual! Bios Scph 75000 Well, I'm an old PS2 user and even game player, sometimes I get interested in his old hardware. Do I remember correctly that one could find a console example and a link to install it by looking for a Bios Scph 75000 and download a USB key? A: You can download the BIOS update directly from Sony's website. Go to at the top. Click on Release Notes. Then click on UPDATE. Click on Go to Update on PS Vita or Click on update.Now, download the file from your PS Vita. It's very small. When the file is downloaded, press the reset button on your PS Vita. Wait for the screen to reboot and then press the Home button. Now, turn on your PS Vita and wait for it to reach the main screen. Press the circle button on the bottom. A menu will come up. From there, press the Select button and scroll down to the bottom to find the BIOS update. Click on it. The file should have automatically installed on your PS Vita, and the change should be visible. . Here is the manual.It's the same version as the one on your Sony PS Vita. President Trump faced more questions about his relationship with Russian officials as Democrats have raised concerns about contacts between Trump campaign officials and Kremlin figures. Appearing on Fox News Sunday, former House Minority Leader Nancy Pelosi, D-Calif., asked if Trump was "complicit" in any Russian election meddling because of what she said were Russian officials' "interaction with his family." "You're not answering the question," host Chris Wallace pointed out. Trump's top two former campaign advisers are under fire for meeting with a Russian lawyer during the 2016 presidential campaign and sharing dirt on Hillary Clinton. The new revelations have led Democrats to demand answers, or else more information about other contacts between Trump associates and Russian government officials. Wallace, Trump

All I care about, is that I did everything to get the best possible gaming experience out of my PC. I do not want to look back some years later and lament that I wasted my time and money. I simply could not care less if I cannot use my hard drive anymore or if I cannot download from the net anymore. . May 29, 2019 Wow, you are the man :-> An extreme-right group in Brazil has begun a second run at staging a publicity stunt aimed at stopping Brazil's rampant deforestation, intending to raft across the Amazon with one man and a horse. The group is asking for help in its campaign to raise awareness about the issue of illegal deforestation. Deforestation has become a major environmental problem in the Amazon, the world's largest tropical rainforest, and has reached alarming levels in recent years. The group, called the Amazon Warriors, wants to build a canoe and rafting route across the heart of the rainforest, and hopes to do the trip between March 8 and 15. On its web site, the group details the trip, saying that they hope to take only two people with them on the journey. The trip will involve navigating the Amazon on both land and water, and the group is hoping to bring cameras on board to document the trip. But the group 3ef4e8ef8d
